Verse 1
(well the)
F# C# F#
thought left his head at the speed of sound and the
F# C# C#7
sky stained red as he span all around and I
F# B
saw all the lead as I opened my chute and the
F# C# F#
boys on the ground they count (breath) twenty two

Chorus 1
F# B F#
and I'll look down over all I can see oh I just wished you'd stayed
C# F#
off that ba-alcon-y

Verse 2
(and the)
F# C# F#
birds left their nest and went over the side and for-
F# C# C#7
got all their legs as their mothers cry
F# B
and the rest of my friends oh the fantastic crew oh the
F# C# F#
fox got their necks at the rendez-vous

Chorus 2
F# B F#
and I'll look down over all I can see oh I just wished you'd stayed
C# F#
in the fa-alcon-ry

Verse 3
(oh and)
F# C# F#
Da-addy cried as he tried to show all the
F# C# C#
pages of feelings he ought to have known what it
F# B
meant to begin after seeing the bird that pulled
F# C# F#
down little John and to breath not a word

Chorus 3
F# B F#
and I'll look down over all I can see oh I love the queen and
C# F#
she lo-oves me *slower now*
F# B F#
and nothing hurt more than was not meant to be oh God saves the Queen and
C# F#
she'll save me
